Purchase of Chassis in connection with the Nationalisation of Bus Services.

ORDER No. T. 4047-60—R. T. 30-47-4, DATED BANGALORE, THE 3RD MAY 1948.

The question of Nationalisation of Road Transport has been under the active consideration of Government some time past. Government deputed *Mushir-ul-J. Mohamed Imam* to Hyderabad to study and report on system of Road Transport, in that State. After making exhaustive study, he furnished a report. The Committee for Public Works and Transport of the Ecor Conference considered Mr. Imam's report and was in favour of Nationalisation of Road Transport and requested that Motor Transport all over the State be taken over by Government and a Central Organisation set up. Co-ordination and Finance Committee of the Ecor Conference considered the subject further and approved generally the centralisation of the Road Transport System in the State under Government management. Having regard to the persistent demand on the part of the public for the Control over the Road Transport System, Government decided that a beginning be made in regard to passenger services from and to Bangalore in the first instance. This requires the purchase of 150 chassis with a view to having bodies built on them.

Accordingly orders were placed for the purchase of 50 Chevrolet Chassis from Messrs. The General Motors, through Messrs. Webb's Sales and Service, Ltd., Bangalore A separate Government Order No. T. 3699-3701—1-30-47-2, dated 12th April 1948 has been issued authorising the purchase of the remaining 100 chassis.

Modified in Corrigenda No. S. R. 4287-90—L.W. 117-46-9, dated 6th May 1948.

In view of the expansion in the activities of the Department of Labour, measures of labour legislation introduced are about to be introduced and the increase in the staff of the Department, it has become necessary that both the

ministerial and executive staff of the Department should acquaint themselves thoroughly with the labour laws in force in the State and the administration of the Department so as to make them fit for efficient discharge of their duties. With a view to achieving this object Government are pleased to direct that an Examination on "Labour Laws" be conducted by the Mysore Local Service and Pleaders' Examinations Board on the lines of the other examinations held by them. The examination may comprise two papers. All officials of the department—Probationers, Gazetted and Non-gazetted Officers drawing a pay in excess of Rs. 80 per mensem should pass the examination before they can be confirmed. All such officers who have already been confirmed in the Department should pass the examination within two years of the first examination that may be conducted in pursuance of this order, failing which their increments or further promotions will be withheld.

The Local Service and Pleaders' Examinations Board is requested to settle further details, e.g., fee for the examination, minimum number of marks obtainable for a pass, subject matter of the two papers, in consultation with the Labour Commissioner, and to hold the first examination as early as possible. Those who pass the examination may be preferred for employment in the Department over other applicants.
